RE-ENROLL IN YOUR ENHANCEMENT PLAN

Planning to expand your Microsoft Dynamics solution in the future?

Even the best business decisions can be hard to make so we're making it easier than ever for you to decide. But you must act now!

Re-enroll in your Business Ready Enhancement Plan today and have the ability to expand your solution in the future. **Re-enroll by Feb 19, 2010 and save! We will waive 100% of your back pay and no late/penalty fees will be charged***. Or, if you are on a supported version of Microsoft Dynamics NAV**, purchase the additional licenses of Microsoft Dynamics NAV you need by May 31, 2010. After that date, you will no longer be able to purchase licenses of Microsoft Dynamics NAV if you're not enrolled in the Business Ready Enhancement Plan.

By reactivating your Enhancement Plan, you maximize the value of your solution, protect your investment and increase productivity.

Your Microsoft Dynamics solution is important to the success of your business—help keep it running smoothly and performing efficiently by enrolling in an Enhancement Plan. This provides access to breakthrough innovations to help you improve and expand your solution functionality, increasing your organization's competitive speed, performance, and productivity.

Reactivating your Enhancement Plan helps increase your confidence. You are protecting your Microsoft Dynamics investment by keeping your solution up to date with access to updates to help you comply with legal and regulatory requirements. This helps keep your solution running securely and uninterrupted.

Your organization can also regain unlimited access to online training material and technical information, right at your fingertips through CustomerSource. This can help improve your team's performance, increasing your return on investment. It also provides you with comprehensive online support and services to mitigate potential issues.

Get more out of your solution today! Contact Samadhan to reactivate your Enhancement Plan.

We're dedicated to helping you meet your business needs through your Microsoft Dynamics solution. That is why we suggest that you re-enroll in your Enhancement Plan today. Contact us at 092040 66501 to get started.

Samadhan, a unit of RITC Pvt. Ltd.

** This offer is good outside the United States and Canada only. This offer is non-transferable and cannot be combined with any other offer. 100% of your back pay on the Business Ready Enhancement Plan will be waived and no late and/or penalty fees will be charged. Your Business Ready Enhancement Plan will be calculated from your current system list price. A one-year enrollment commitment to Business Ready Enhancement Plan is required.*

** Supported versions of Microsoft Dynamics NAV include:

- Microsoft Dynamics NAV 5.0. Microsoft Dynamics NAV 2009

Even if you Re-enroll in your Enhancement Plan today, you control the right time to upgrade to our latest releases, such as Microsoft Dynamics NAV 2009, which includes expanded capabilities to help:

- **Fuel Business Agility and Growth:** Meet changing business needs and make the most of your current IT investments without disrupting your operations or your IT budget. New architecture, and Web services make it easier than ever to integrate your systems, share data across other applications, develop extended functionality, set up and maintain multiple currencies, and accommodate more than 30 languages.
- **Increase Employee Productivity:** Access groundbreaking, role-tailored user experiences that empower your people to work smarter and collaborate better. Role Centers provide a single, integrated view of the information and activities most relevant to employees' roles, helping everyone organize, manage, and prioritize work more effectively.
- **Focus on Achieving Business Goals:** Automate and simplify processes across your entire business; integrate financial, supply chain and customer relationship management information in a centralized database; and provide visibility into every aspect of your organization, so your people can focus on driving your business forward.
